

## Adam Runsdorf

Adam Runsdorf created WDP<sup>rx</sup> – Woodfield Pharmaceutical, LLC in 2014 after the purchase of Pernix Manufacturing, formerly Great Southern Labs, which had been operating for 30 years.

Adam is responsible for ensuring that WDP<sup>rx</sup> fulfills its mission as a reliable CMO partner specializing in oral solutions, liquid solutions, suspensions and semi-solids focusing on attention to detail, customization and innovative problem-solving.

Runsdorf is a 25-year veteran of the pharmaceutical sector. Previous to WDP<sup>rx</sup>, Adam held executive sales and operations positions with national generic pharmaceuticals manufacturers. In 2010 he founded WDP<sup>rx</sup> – Woodfield Distribution, LLC, a third-party logistics provider specializing in the life sciences industry with headquarters in Boca Raton, FL.

Adam currently serves on the Board of Directors of the Specialty Pharma Association and also on the Government Affairs Committee of the Healthcare Distribution Alliance (HDA). He is President of the national Alpha Epsilon Pi Foundation, Inc., providing leadership development and financial support for the AEPi international fraternity organization Adam resides in Boca Raton, FL with his wife and two children.

## Kalpen Patel

Kalpen Patel is the Director of Technical Operations at WDPPrx responsible for Formulation Development, Optimization, Validation and related pharmaceutical development areas.

An integral member of the team since 2011, Kalpen is a pharmaceutical industry veteran with previous experience gained in several product development roles while working at Aurobindo Pharma.

Kalpen earned his degree in Modern Drug Development and Industrial Pharmacy from L.M. College of Pharmacy in Ahmedabad, India.

He enjoys participating in several sports including volleyball and cricket, when he can find a pick-up game near his home in the Houston suburbs.

Angela Holley is Director of Business Development at WDP<sub>rx</sub> – Woodfield Pharmaceutical, LLC.

Angela's career is marked with high levels of achievement and success in multiple disciplines within the branded and generic pharmaceutical industry.

Her expertise includes sales, marketing, business development and administration for brick-and-mortar and virtual manufacturers.

From start-ups to Big Pharma, Holley is familiar with the marketing cycles of everything from standard cough and cold remedies to specialty pharmaceutical products and orphan drugs.

A native of Birmingham, AL Angela and her husband test the limits of their SUV traveling around the country to support their daughter and her Competitive Show Choir team.
